## Adapter

### Type EM200-96 ADAPTER

CARLO GAVAZZI

- Adapter frame from 72x72 mm to 96x96 mm panel mounting
- Suitable for EM210, EM270, EM271, EM21-72D, EM21-72R, EM21-72V
- Installation by fixing brackets included in the meter standard accessories.

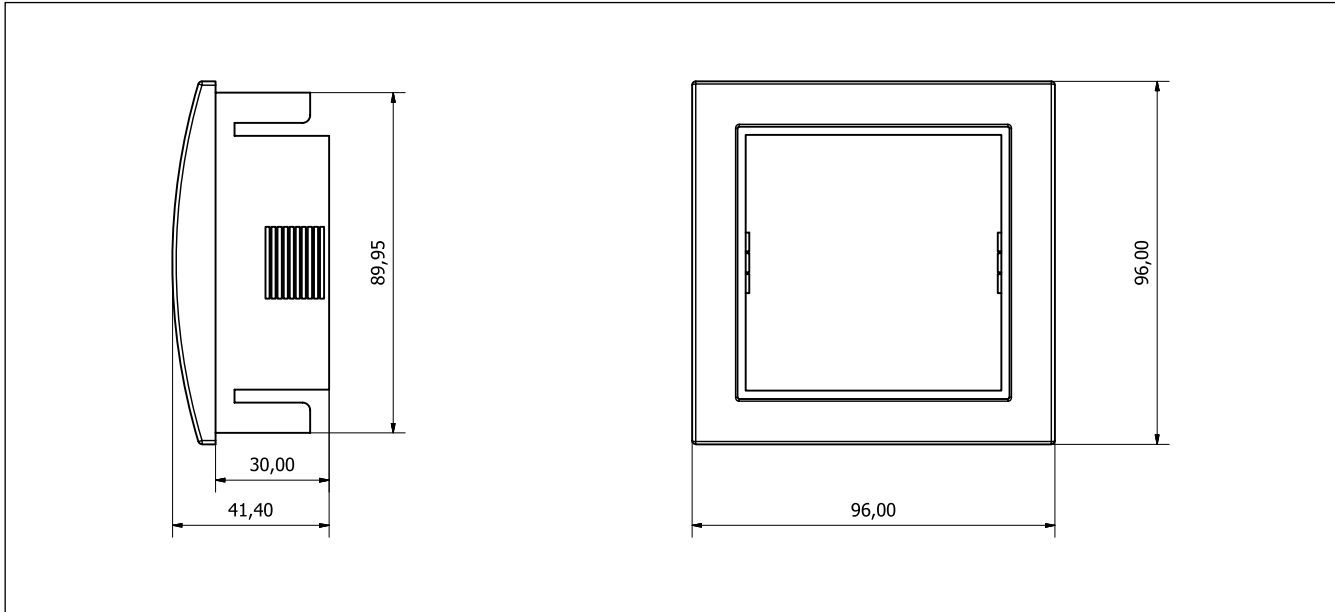

### Product description

Adapter from 72x72 to 96x96 panel mounting. Suitable for Carlo Gavazzi energy meters of EM200 series and EM21 series. A proper slot allows the tamper proof sealing after installation and the mounting of a sealed instrument (e.g. a MID meter) .
